45 PRISONERS GET AUTOMOBILE RIDE

Transferring Them From House of Correction to Windsor Accomplished Without Incident

Rutland, June 11.—Forty-five men, prisoners of the Vermont house of correction, which until the recent proclamation of Governor Clement, making it a department at the state prison at Windsor, had been a local institution since 1875, were taken yesterday from the former house of correction to Windsor by motor truck, the transfer marking one of the few important steps that are to entirely move the penal institution within the next few days.

Superintendent Merton H. Loukes personally conducted the transfer of the men yesterday, two auto trucks and one car being used. The men were moved without the use of handcuffs or any restraint whatever and with absolutely no trouble. As their terms vary from three months to three years the good behavior of the men, who characterized the trip as the best

The reliance that womenkind has upon sugar-filled wafers which they supposed to put in crackers is being dispelled. There was no question about the complete success of Nettle's discovery, as the fragrance of the fresh wafers, which she served added to the inviting repast.

Another favorite at the tea hour—and one seen them almost as much as the Graham cracker—is the Nettle's Graham cracker. It seems indispensable in modern housekeeping. People have been so thoroughly convinced about the thousands of Graham flour that it is a natural value is a natural value is a natural value.

If your appetite needs encouragement, there is nothing quite so certain to entice it as N. B. C. Graham Crackers. Golden brown, cookie-like crackers, with a flavor that is simply delicious.

Do You Want Your Kidneys Examined?

Kidney troubles are getting more common every day. Government health bureau figures say deaths from this cause are 72 per cent more than 20 years ago.

Anybody who suffers constant back ache, who feels blue, nervous and irritable; who has dizzy spells, headache and urinary disorders should suspect kidney weakness. Overworked kidneys must have a rest. Take things easier; live more carefully. Take a good kidney remedy to build the kidneys up again.

But be sure to get Doan's Kidney Pills—the oldest, the most widely used, the best recommended of all kidney pills, now in use all over the civilized world. Don't experiment with your kidneys. Thousands have already tested Doan's. You have their experience to go by. Plenty of cases right here in Bennington. Here's one:

A. H. Bishop, prop. bakery, 103 River St., says: "I suffered from backache, especially when I bent over. Sharp, shooting pains often went through the small of my back. When I read of Doan's Kidney Pills I used some and they soon brought relief."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bishop of Porter-Milburn Co., Mfgs., Buffalo, N. Y.
